"Barack Obama talked a lot about hope, but Donald Trump delivered the American Dream. All the economic indicators, what's happening overseas, Donald Trump has proven to be far more successful than Barack Obama. President Trump is delivering the American Dream." Jason Chaffetz

President Trump will win in 2020 in an even BIGGER landslide than 2016! You are the greatest President EVER, sir!

Donald J. Trump Retweeted Diamond and Silk®

6

The Dems have tried every trick in the playbook-call me everything under the sun. But if I'm all of those terrible things, how come I beat them so badly, 306-223? Maybe they're just not very good! The fact is they are going CRAZY only because they know they can't beat me in 2020!

7

Republicans are doing really well with the Senate Midterms. Races that we were not even thinking about winning are now very close, or even leading. Election night will be very interesting indeed!

8

Our Social Media (and beyond) Stars, @DiamondandSilk, are terrific people who are doing really well. We are all very proud of them, and their great successes!

9

So true! "Mr. Trump remains the single most popular figure in the Republican Party, whose fealty has helped buoy candidates in competitive Republican primaries and remains a hot commodity among general election candidates." Nicholas Fandos, @nytimes

10

Apple prices may increase because of the massive Tariffs we may be imposing on China - but there is an easy solution where there would be ZERO tax, and indeed a tax incentive. Make your products in the United States instead of China. Start building new plants now. Exciting! #MAGA

11

We are breaking all Jobs and Economic Records but, importantly, our Country has TREMENDOUS FUTURE POTENTIAL. We have just begun!

12

"To this point, President Trump's achievements are unprecedented." @LouDobbs

13

Dave Hughes is running for Congress in the Great State of Minnesota. He will help us accomplish our America First policies, is strong on Crime, the Border, our 2nd Amendment, Trade, Military and Vets. Running against Pelosi Liberal Puppet Petterson. Dave has my Total Endorsement!

14

Watching @BarackObama take credit for @realDonaldTrump successes is disgraceful.

Score So Far-

TRUMP:

-Unemployment Rate

-GDP

- Wage Growth
- # Blacks Employed
- # Hispanics Employed
- # Women Employed
- ISIS Wins
- Homegrown Terror Events

OBAMA:

- Slick Speaking
- School Shootings

"I complained plenty about Fox News, but I never threatened to shut them down."

It's probably a good time to remind you that Obama used the Espionage Act to go after whistleblowers who leaked to journalists more than all previous presidents combined.pic.twitter.com/NU7TUY3YcS

Under our horrible immigration laws, the Government is frequently blocked from deporting criminal aliens with violent felony convictions. House GOP just passed a bill to increase our ability to deport violent felons (Crazy Dems opposed). Need to get this bill to my desk fast!
